Hi Blair- it's Grady Seldin. Are you able to carve out 10-15 minutes at 11am tomorrow morning? We can stop by with myself, the developer and Lender (who we are trying to get comfortable). Would that work?

Office 209 W 5th

Come by

Excellent. This is amazing. We will be in and out! Will confirm in the morning but we plan to be there at 11am tomorrow. Thank you!

Are you coming up 5th to my office after? I can try to work on the block

Yes. Plan to come to your office. No need to do anything over the top! Can be casual. Just want to discuss the strong points of the historic core, with a large young professional tenant base, etc.

Great. See you soon. Look forward to meeting you and introducing the developer and lender. They are excited to hear your insight of the neighborhood!
